

2000 National Surveys of First-Year Curricular and Co-Curricular Practices

As one of its initial research projects, the Policy Center on the First Year of College (now Gardner Institute) conducted national surveys of first-year structures, policies, and practices in the collegiate curriculum and co-curriculum. Hyperlinks to two separate survey instruments were embedded in e-mail messages sent to chief academic officers and chief student affairs officers at 621 two- and four-year colleges and universities.
